

_IT Piuvella è la collezione creata all'insegna dell'adattabilità. Un lavatoio unico per prestazioni e resistenza, da posizionare all'interno o all'esterno della tua abitazione. Struttura, ante e vasca garantiscono in ogni ambiente la massima durabilità. La maniglia in nylon con finitura in alluminio satinato dona eleganza al mobile e le ghiera per regolare l'altezza ti permettono di adattarlo con semplicità allo spazio a tua disposizione.

_EN Piuvella is the collection created in the name of adaptability. A unique washbasin for performance and durability, to be placed inside or outside your home. Structure, doors and basin guarantee maximum durability in any environment. The nylon handhold with a satin aluminum finish lends elegance to the unit, and the ferrules to adjust its height allow you to easily adapt it to your available space.
